

### **1. Disclaimer of Warranties**

The Water Risk Filter website and its content are provided by WWF Germany (World Wide Fund for Nature) on an “as is” and “as available” basis. Any usage of our website does not constitute a contract in any way between you and us. While we endeavour to keep the information up to date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, services, assessments, results, reports, mitigation actions, maps or related graphics contained on the website for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

### **2. Limitation of Liability**

In no event will WWF be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits arising out of, or in connection with, the use of this website.

### **3. External Content**

There are links on this website that take you to other websites outside of our service. Any links provided to third party websites outside of this site are provided solely for your convenience. The operation and content of such third party websites is beyond our control, and we do not endorse in any manner whatsoever or accept any responsibility for the content or other material that may be contained on such websites, the use of such websites, or any products or services advertised on or sold through any such websites. We have no control over the nature, content and availability of those sites. The inclusion of any links does not imply a recommendation or endorse the views expressed within them except as provided otherwise on our website. Please inform us if you think that a website content to which we have provided a link gives rise to civil or criminal liability. We will then evaluate whether to remove the reference to this website content.

### **4. Mapping**

All the mapping is at a national or country level. Most subnational boundaries are removed for clarity. The mapping terms “country,” “nation,” or “national” do not imply any judgment on the legal status of any territory, or any endorsement or acceptance of disputed boundaries, on the part of WWF or the data providers. The views expressed are those of the authors and not necessarily those of WWF.

### **5. Proprietary Rights**

All material on this website, including text and images, is protected by copyright law and such copyright is owned by WWF unless credited otherwise. It may not be copied, reproduced, republished, downloaded, posted, distributed, broadcast or transmitted in any way without the copyright owner’s consent, except for your own personal, non-commercial use.

**6. Provision of Services**

Every effort is made to keep the website up and running smoothly. However, WWF takes no responsibility for, and will not be liable for, the website being virus-free or temporarily unavailable due to technical issues beyond our control. WWF reserves the exclusive right to change, complement, delete or halt publication completely or for a limited period, of parts of the webpages or the entire offer without separate notification.

**7. Data protection**

We hereby give notice to you that when you access the Water Risk Filter website, WWF collects, transfers, compiles and/or archives your personal data pursuant to WWF online privacy policy.

**8. Changes to the Terms**

WWF reserves the right to modify these terms from time to time at our sole discretion and without any notice. Changes to our terms become effective on the date they are posted.
